# Welcome to the Hovingham and Scackleton Newsletter

With the Queen's Jubilee celebrations rapidly approaching, this issue contains a number of articles and announcements about what will be happening in our community, giving advance notice and encouraging our readers to join in. There is also a look back to the success of the pantomime, Jack and the Beanstalk, and what we hope is the first of a series of short pen portraits of "Village People". We thank the authors of these contributions and all the other people who have contributed to this issue which is edited by Jill Knight and Martin Bell.

Contributions for the June issue are welcome. Please send them to <u>newsletter@hovingham.org.uk</u> by 15<sup>th</sup> May.

### The Market goes to the House of Lords

On 7<sup>th</sup> March representatives of Hovingham Village Market were invited to the House of Lords for the annual Countryside Alliance "Rural Oscars" awards, hosted by Baroness Golding. A good number of members of both Houses of Parliament were present, including our MP Anne McIntosh who talked to us about Hovingham and the Market, expressing strong support.

The Market was there as Yorkshire Region winner in the Rural Enterprise category, alongside nine other regional winners from the UK and the Republic of Ireland. The national winners and runners-up in each category were introduced by the Countryside Alliance chairwoman, Kate Hooey MP, and the awards were presented by Clarissa Dixon-Wright who is well known for her support for country life, business and sports.

The Hovingham Village Market was not national award winner, but the publicity we have gained in press and broadcast media from being a regional winner has been valuable.

### Hovingham Jubilee Ball – Friends of Hovingham School

Get out your ball gowns, dust off the dinner suit and let's celebrate the Queen's Diamond Jubilee in style. With the kind permission of Mr and Mrs William Worsley, Hovingham Hall will be the venue for the **Hovingham Jubilee Ball** on Saturday 26<sup>th</sup> May 2012 as part of the village Jubilee celebrations.

The ball is being organised by the Friends of Hovingham School but is open to everyone and it is hoped that it will bring residents of Hovingham and Scackleton and the surrounding areas together, young and not so young, to enjoy a special piece of history.

The night will start with drinks and canapés on the terrace or in the Hunting Hall with live music from Ollie Green followed by dinner in the famous and unique setting of the Riding School. There will be dancing afterwards to the band 'Cooler on the Coast' until carriages at 1.00am.

Tickets are  $\pounds$ 50 each or tables of 10 can be booked for  $\pounds$ 450. Booking forms are available at Hovingham Stores or they can be downloaded from the Hovingham School website: hovinghamprimary.org.uk

The deadline for bookings is the Queen's birthday – Saturday 21st April 2012. *Stephen Croft* 

### Limited Edition – Diamond Jubilee Commemorative Mugs

A special limited edition fine bone china commemorative mug is being produced to celebrate the Diamond Jubilee in Hovingham and Scackleton. Everyone living in Hovingham and Scackleton born on or after 1<sup>st</sup> January 1994 will be given one by the Parish Council. Just over 200 mugs are being produced and the remaining mugs will be available to residents on a first-come-first-served basis.

Mugs can be purchased for £5 each; with a special price of £4 each when three or more are purchased at the same time.

To reserve your mugs please contact: Sue Wainwright (628364) Wendy Swann (628282) or <u>Parishclerk@hovingham.org.uk</u>

Mugs will be available for collection in May.

### WHO on earth is that?

Could that cherubic face, photographed all those years ago, really be our good friend X?

As part of our local celebrations of the Queen's Diamond Jubilee, it is hoped to mount a Picture Challenge, together with a round-up of pictures portraying life in Hovingham & Scackleton over the last 60 years.

Current residents - whether very recently arrived or more established - are asked to let the celebrations organisers have pictures of themselves or their families taken in the early part of the Queen's reign. These will be blown up and displayed on boards at the events on Monday June 4th. Viewers will be challenged to identify some of today's well known local residents from their rosy cheeked youth: answers will be posted nearby. We'd also welcome any pictures which show how much things have changed in our villages and in homes - anything to help us indulge in a little nostalgia!

Please have a rummage round for family snaps that we can use: they will be scanned and the originals returned to you immediately.

If you can help, please give *Rob Thompson* a call on 628640. Meanwhile, planning of the local celebrations is developing well. Final details of the many attractions and events will be announced on posters and in the Newsletter.

### The Joys of village Pantomime

Review – by Dennis Anderson

One of the joys of a village pantomime must be to see your friends performing on the stage and making utter fools of themselves. This, the members of the Hovingham Players did to perfection on Friday night when I watched the show! To name particular actors would be unfair but I am going to make an exception and mention Amy Smith. Her singing was really delightful and her performance so composed. This, for me, was a highlight from someone so young.

Another pleasure was to watch the faces of the young children in the audience who were completely absorbed by the story and the antics of the talented Cast.

Particular mention must be made of the backstage staff and the work done by them. Plaudits are always given to the actors and actresses as they come forward to take their bow, and that is how it should be, but those working behind the scenes are equally deserving of applause.

Last, but by no means least, is the Director. Thank you for giving us such an enjoyable evening.

Well done the Hovingham Players!

#### From the Director

Hovingham pantomime 2012 Jack and the Beanstalk was another roaring success. We managed to fill the hall for four nights, raising nearly £4,000 for Hovingham village Hall and Scackleton Action Group.

I'm thinking the little Star trekkers from Hovingham School stole the show.

Thankyou, Wendy Swann

This is the first of what is envisaged to be a regular feature in the Hovingham and Scackleton Newsletter. A glimpse of someone who is of interest to the residents of the village

The first feature is a hard-working husband and wife team. Most of us will have probably seen their stall of fresh vegetables for sale outside their cottage on Beckside, all free from chemical pesticides and freshly gathered.

Sad to say Maria and John are cutting back on production and are proposing to take life a little easier this year, bur are still keeping a smaller plot to grow for their own use; they are currently working on a fifth of an acre.

Maria was born in Italy near Foggia on the opposite side of the country from Naples. Jobs are hard to find around that area, so she took the opportunity to travel and started work at Gilling Castle. A very brave and exciting journey for a teenager travelling alone in 1955.

John was at that time employed in Gilling and it seems inevitable that two young people living in such a small village would meet. They celebrated 50 years of marriage last year!

They came to live in Hovingham 25 years ago and quickly became part of village life, John working for M. C. Marshall's at Grimston and Maria ever busy, working at the Hall and other houses in the area.

### More Spring colour for Hovingham

In November 2011 the Hovingham Action Group (with support from the AONB) planted further Spring Bulbs on York Bank and down by the Sewage Farm.

These not only provide welcome Spring colour but early food for our Beehives.

It is hoped further planting will be done later this year and further improve the display.

### Thank you from New Zealand

Please say a BIG thank you to all my old friends in Hovingham who signed the card brought by Pop when we met up last month for a cruise. It was such a surprise. I opened it on the cruise ship and actually dropped it when I saw all the messages! It was absolutely wonderful. So nice to see all the familiar names. I do keep in touch with quite a few, but it was so lovely to get all those kind messages from everyone else too. Thank you, everyone. I've attached a photo of us at Cape Reinga lighthouse - right at the top of New Zealand - on 25th January - beneath the signs pointing to faraway places. And one of the view. The Pacific Ocean meets the Tasman Sea right there, and the Maori spirits "leave" from there too, so it's always something special.

#### Thanks very much. Best wishes, Adrienne
