Ampleforth & Hovingham Surgeries announcement

It is with mixed emotions that we announce the departure of Dr. Alix Jimenez and Dr. Deane Jacobs from the practice. Both doctors have received the opportunity to pursue other interests and opportunities outside of general practice.

Dr. Jimenez and Dr. Jacobs have been invaluable members of our team, providing exceptional care and dedication to our patients over the years. Their contributions have been greatly appreciated by both colleagues and patients alike, and they will be sorely missed.

We understand that many of you have built strong relationships with Dr. Jimenez and Dr. Jacobs, and we want to assure you that we are committed to ensuring a smooth transition. Our remaining team of dedicated healthcare professionals will continue to provide the high standard of care you have come to expect from us.

We wish Dr. Jimenez and Dr. Jacobs well in their future careers and thank them for the years of service and dedication to the practice.

If anyone would like to send a personal card we will ensure they reach Dr. Jimenez and Dr. Jacobs.

We are excited to announce **Dr. Michael Thompson** will be joining the practice in August. Some of our patients may have already met Dr. Thompson when he completed part of his GP training with us in 2024.

Any contributions can be left in the plastic box in the tower room at the back of the church.

May I take this opportunity of thanking everyone for their past contributions. They really do make a difference.
