

## **Scackleton Action Group Report – November 2021**

**Last Action Group Meeting 29<sup>th</sup> January, 2020. April 2020 meeting cancelled due to COVID-19.**

**Next meeting – to be scheduled for January 2022**

St George's Church is available for meetings, both Parish Council & Action Group meetings.

### **Pinfold**

- New sign still to be installed.

### **Promoting a cleaner & healthier village**

- Grass cutting by Circle Gardening Services has continued to be of a high standard, with the last cut in November.
- New signage for dog fouling will be put up once they printed, as some need replacing due to damage.
- Ryedale Council have offered Scackleton a free tree. Do not get any say in which type of tree we get. Steve & Nicole, with the help of residents, are trying to identify a suitable site.

### **Traffic in the village**

Have approved a new sign to go at either end of the village. Location at the North end has been discussed, with a new location site offered up for this sign. No reply to date. Have chased up for the PC meeting.

### **Communication within the village**

- Circulating the weekly Hovingham & Scackleton Village Diary by email primarily. Occasionally on the notice board.
- Neighbourhood watch emails are being emailed out.

### **Community Events & Fund Raising**

- Still suspended for now. Will be 2022 before we can realistically restart them.

### **Hovingham Market & Cafes**

- St George's Church hosted the November Market Café at the first Hovingham Market since COVID lockdown put a stop to them. The footfall was much greater than expected, and £657 was raised for St George's Church. Thank you to everyone who helped out setting it up, in the café & clearing away afterwards, and to all the residents who donated cakes, savoury tarts & chutneys.
- Scackleton Action Group have been offered the May Market Café – 7<sup>th</sup> May, 2022.

### **Queen Elizabeth's Platinum Jubilee**

- St George's Church will host a beacon for the national celebration of the Queen's Platinum Jubilee at Church Farm on 2<sup>nd</sup> June, 2022.

### **Scackleton Community Support Group**

- The Scackleton Community Support Group is still in situ for the village, with volunteers from the village still happy to be part of it. Shopping and prescription collection is still being undertaken for a few residents until such time as they feel able to go back to "normal". Many thanks again to the Scackleton volunteers.
