

Hovingham with Scackleton Parish Council – Meeting

Wednesday 26th November 2025 – Hovingham Community Room

Parish Council Meeting held at 7.00pm

1	<p>Those attending: - Phil Chapman, Steve Britland, Mark Wilson, Nicole Robson, Giles Naish, Kevin Brennan, Ann Chapman. Councillor Steve Mason also attended.</p> <p>Apologies for absence: -</p>	
2	Minutes of the last meeting held on 24th September 2025: - Approved	Action
3	<p>Report North Yorkshire Councillor Steve Mason: -</p> <ol style="list-style-type: none"> 1. Moseys Planning application; legal advice and questions are being submitted. Delays in FOI questions are frustrating. Legal Fees paid for by Ryedale Charter. The need for an Environment Impact Assessment (EIA) has been highlighted. It will be the New Year before any further progress is made. 2. A visit from Highways to assess local conditions is planned. (The Parish Council requested, that due to our good relations with James Peacock of Highways that this relationship not be compromised). A proposal for Vehicle Activated Signs (VAS) might be forthcoming as well as changes in speed limits. 3. Mobile coverage, Parish Council will send Steve Mason a copy of our latest correspondence 4. Flood doors, Parish Council will send Steve Mason our latest correspondence 	Ann Mark
4	Questions or Comments from the Public: - None were received	
5	<p>General Actions (Hovingham and Scackleton): -</p> <p>a. GP Surgery –</p> <ul style="list-style-type: none"> • Nicole and Ann will meet with Penny Coldbeck, hopefully in December, and find out the latest position and try to clear up the confusions and rumours that abound. A planned earlier meeting during October and November was delayed due to the CQC inspection. • It appears that nursing appointments are no longer available at Hovingham and there is some confusion about blood tests. Patient transport is likely to be a big issue. With the closure of the Worsley Arms in February, or when works begin, the surgery may close. <p>b. Grass Cutting –</p> <ul style="list-style-type: none"> • 7 cuts have taken place, 1 more than planned. No more are needed. • Quotes are needed for 2026 from the 2 contractors. This will now again include Mossburn bank, as the wilding project has been stopped. Hovingham Estate who own the land said they would cut it annually, and previously the Parish Council had organised and paid for cutting on a more frequent basis. It is thought that perhaps 3 cuts per year will be enough as grass growth is slow due to poor ground conditions. <p>c. North Yorkshire Council Local Plan “Local Plan”</p> <ul style="list-style-type: none"> • Consultation closed on 15th July 2025. We submitted our comments and asked for feedback. https://www.northyorks.gov.uk/localplan There has been no news <p>“Call for sites” Call for Sites - Details - Keyplan (objective.co.uk)</p> <ul style="list-style-type: none"> • NYCC call for sites was released on 31st January 2025. The consultation has now been delayed until 2026. There is no further news. <p>d. Cell phone coverage -</p> <ul style="list-style-type: none"> • A position paper on the problem was send to Steve Mason for his action. He advises this has been referred to the AAC (Area Committee?) in March 2025. There has been no news. • Follow up revealed Michael Grayson is no longer there and no one has been appointed in his place. Parish Liaison (Peter Cole) is trying to find contact details of someone elsewhere who can help. <p>e. Winter maintenance</p> <ul style="list-style-type: none"> • Grit for Hovingham and Scackleton. Hovingham will order a tonne bag and. Scackleton will check their requirements and advise needs to Mark Wilson. • Bench repairs. 14 benches are now in Mark’s shed. John Anderson will be asked to help with Maintenance. The bench on Coronation Green (circular) should be teak oiled in the Spring. 	Ann/ Nicole Mark/ Nicole Ann Ann Ann Ann Mark Mark

Hovingham with Scackleton Parish Council – Meeting

Wednesday 26th November 2025 – Hovingham Community Room

6	<p>Scackleton Actions: -</p> <p>a. Action Group Report attached to minutes on website (www.hovingham.org.uk/council)</p> <ul style="list-style-type: none"> Dog fouling is an issue, particularly from dogs involved with the Shoots. We will contact Parish Liaison about dog fouling on NYV verges in case they have advice. <p>b. Woodland Proposal in Scackleton</p> <ul style="list-style-type: none"> There is no further news. <p>c. Wild Scackleton – an initiative from Nicholas Burrows at NYC</p> <ul style="list-style-type: none"> A village talk attracted considerable interest in ponds, bird boxes, bird feeders, wilding etc. The Action group will meet in the New Year to consider ideas for a plan 	Nicole Ann Steve
7	<p>Hovingham Actions: -</p> <p>a. Hovingham Action Group Report: - Full report attached to minutes on website (www.hovingham.org.uk/council)</p> <ul style="list-style-type: none"> Neighbourhood Plan Group has quiesced and its costs have been reimbursed Village Market is seeking more volunteers for the Committee, due to the importance of the Market, we hope resources can be found. <p>b. Cemetery</p> <ul style="list-style-type: none"> Survey and mapping: A survey team and subsequent research has extended the known burials from 179 to approximately 700. A further 100 or so burials are registered but their grave site is not known. A spreadsheet now includes everything known and thanks to Phil it has search facilities and other tools to make it very useful. In future it should be simple to maintain. Cemetery Noticeboard: This has been delivered and Steve has done a beautiful job of the Oak frame for it. Stuart Dean has offered to help with the posts and installation. It will be positioned to the right of the pathway. Cemetery Fee Review: Fees and services have not been reviewed for a few years. The proposal for new fees effective 1st January 2026 was approved (Proposed Nicole Robson, Seconded Giles Naish, with unanimous approval). Undertakers etc will be advised of these fees and they will go up on the Website Cemetery Maintenance: Some shrubbery and lower branch removal and ivy need attention. A working Bee for Saturday December 13th is planned. <p>c. Playground:</p> <ul style="list-style-type: none"> Following the vandalism, damage to the Pagoda has been assessed and there is only 1-2 years life left in the structure. It really needs proper footings. Steve will discuss options with Debs, to see if repairs are warranted or replacement would be better. The issue of liability of the person doing the repairs was discussed. Phil advised as the structure is already a risk, then 'best endeavours' are considered adequate for insurance purposes. A check is needed that a notice 'use at your own risk' is on the pagoda itself. We believe there is already a general notice on the Playground Notice Board to this effect. <p>d. Drainage & Flooding.</p> <ul style="list-style-type: none"> Brookside Flood Door Scheme: the saga continues. Watertight have visited properties to assess individual needs (Budget of £7,500 per household). There is a list of approved solutions. As funding is still not clear, the project still has some doubts about it. Timings are not yet defined. Road Gullies: NYC advise that they will have to involve Yorkshire Water as the Gully outflow pipes are not wide enough to take the volumes of water away. James Peacock from Highways is organising this review. Diversion Channel: Mark believes this is all set up for the winter after improvements to the culvert etc. Following a query from a resident, we have passed on this current status <p>e. Neighbourhood Plan: this has now quiesced. Item closed.</p> <p>f. Mossburn Bank: As the wilding project is to be stopped, we will ask Frances, what impact will 3 cuts per year have on the natural environment?</p>	Ann/ Nicole/ Phil Ann Ann/ Phil Ann/ Mark Steve Steve Mark Ann Giles Ann

Hovingham with Scackleton Parish Council – Meeting

Wednesday 26th November 2025 – Hovingham Community Room

<p>7 Hovingham Actions: - continued</p> <p>g. Village Maintenance</p> <ol style="list-style-type: none"> 1. Beckside railings the repairs need to be tidied up. <ul style="list-style-type: none"> • NYC are still chasing the contractors for a date to rectify the shoddy work. 2. Painting of railings. <ul style="list-style-type: none"> • Giles and his team will do this when the Beckside railings are repaired and Spring is here 3. Myse Restaurant Mounting Steps. <ul style="list-style-type: none"> • Myse advise that insurance issues are settled and when the weather warms up the work will be done. 4. Playground Turning Circle <ul style="list-style-type: none"> • There are issues of safety, parking and road surface etc to consider. After the site visit (Mark, Kev and Ann) it was decided to gravel the larger areas and then ask NYC to look at the smaller areas (for asphalt) as they can do it cheaper than using 'bags of asphalt' (we may still have to pay for this). The gravel is £81 per 800 kg. A bag of asphalt (25KG) is £35. A fence will be erected on the left-hand side of the cemetery path (in the style of the existing fence) which will sit opposite the Cemetery Notice Board on the right-hand side. This should stop vehicles going down the path. <ul style="list-style-type: none"> • We have asked for a budget of up to £500 for all this work. See Finance 8e • A working bee will be organised to lay and compact the gravel and erect the fences. 5. Overgrown Footpath near Hall Farm. <ul style="list-style-type: none"> • After a working bee this area was cleared. It revealed severely laminated asphalted, and this safety issue was reported to Highways. Within the week it was repaired. • Item closed. 6. Road Crossing near Coatesworth House <ul style="list-style-type: none"> • A resident raised safety concerns at the road crossing and suggested a 'mirror.' • NYC sent and engineer out to assess the site who advised mirrors were not their approved strategy and they had no funds for anything else. • The resident will be advised of this final report decision. Item closed. 7. Broken railing near Urrard House <ul style="list-style-type: none"> • A resident reported a railing at the bridge has been broken with safety concerns • NYC have installed a new railing in keeping with the village style. • The landowner has been advised to replace the boundary section (not a safety issue) • Item closed 	<p>Ann</p> <p>Giles</p> <p>Ann</p> <p>Ann/ Mark</p> <p>Ann</p> <p>Ann</p> <p>Ann</p>
<p>8 Finance and Admin: -</p> <ol style="list-style-type: none"> 1. Finance Report: <ul style="list-style-type: none"> • The report has been distributed. • The term deposit account continues to attract worthwhile interest and the overall position is good. 2. Payment approvals: None required 3. Parish Precept 2026: <ul style="list-style-type: none"> • A proposal for the 2026 precept had been distributed for review. • As there had been no increase since 2023 (£8400) it was thought advisable to increase the precept (to cover NYC policy change that requires Parish Councils to part fund their elections). • A £200 fee increase was agreed (Precept £8600). Proposed Mark Wilson, seconded Kevin Brennan, approved unanimously. NYC will be advised. 4. Turning Circle budget: (see item 7g4) <ul style="list-style-type: none"> • A budget for an amount up to £500 was requested to cover costs for gravel, asphalt, fencing and cemetery notice board. This was approved unanimously 	<p>Phil</p> <p>Phil</p> <p>Ann</p>

Hovingham with Scackleton Parish Council – Meeting

Wednesday 26th November 2025 – Hovingham Community Room

8	<p>Finance and Admin: - continued</p> <p>5. Parish Councillors email addresses</p> <ul style="list-style-type: none"> The Parish Council has set up email accounts on hovingham.org.uk which complies with AGAR requirements. Instructions were sent out with details of how these should be set up. Phil, Nicole and Mark are set up, for others there were some challenges with mobile phone 'set up'. Nicole will assist with advice for this. Councillors were asked to use the account for both receiving and sending emails and not to 'forward' their email accounts to their personal email accounts as compliance with AGAR would be lost. Target date for councillors to use hovingham.org.uk is March 2026. 	Phil Nicole
9	<p>Planning: -</p> <ol style="list-style-type: none"> Myse, reinstatement of steps Approved by Planning. Hobbs Cottage, Brookside – interior changes, windows and doors. Work commenced and is subject to an 'Informative' asking that no-one park on the verges. Hovingham Estate ZE25/00641/CAT Tree felling. Parish Council approved this application, NYC advised. Ian Mosey Planning Breach 11/00498/73A. Planning application ZE25/00498/73A <ul style="list-style-type: none"> The Parish Council have submitted their objection to this application. Timelines have been extended and a legal challenge is in progress. There is unlikely to be any movement on this until the New Year. Brook House Hovingham, double glazing for listed building ZE25/00903/LBC. The Parish Council supported this application and advised NYC. <p>New Planning Applications</p> <ol style="list-style-type: none"> Hovingham Estate, Worsley Arms refurbishment and housing development ZE25/01174/MFUL <ul style="list-style-type: none"> The application is logged but there is no Planning Officer nor dates or documents. We will review the documents and decide how to make a submission once the details are understood. 	Ann
10	<p>Correspondence: -</p> <ul style="list-style-type: none"> An email from Wigginton asked about our village EV charger. This has been referred to Project Purple – Frank Colenso. 	
11	<p>Any other business: -</p> <ol style="list-style-type: none"> Impact of closure of the Worsley Arms: There is general concern about loss of facilities to the village. Ideas about pop ups have been discussed but have proved challenging due to 'red tape etc'. A replacement emergency centre is needed to replace the hotel as a temporary measure during the closure. Extensive Verge damage near Northfield House: There is work at Northfield House which seems to have resulted in vehicles mounting the verge on the eastern side to avoid the skip and lorry parked on the West. The householder will be asked if they have plans to repair the verge. 	Ann
12	<p style="text-align: center;">DATES OF NEXT MEETINGS 2026</p> <p>• 28th January • 25th March • 27th May • 22nd July - Scackleton • 23rd September • 25th November</p> <p>These start at 7^{pm} in Hovingham Village Hall - Community Room, except in July which is at St Georges, Scackleton. All welcome</p> <p>Please notify Clerk as soon as possible if unable to attend any of these meetings. Ann Chapman, Wyvern House, Park Street, Hovingham YO62 4JZ email parishclerk@hovingham.org.uk</p>
